THE ASSOCIATION OF SHALAKI - TAS INDIA

The Association of Shalaki (TAS), India was formed with ardent desire of bringing all the Shalakis under one roof. The initial foundation was laid in the National Conference on Shalakyatantra under the leadership of the Founder member Prof. Dr Dilip Puranik. It was registered on 2nd November 2004, with the active initiation of all the founder members. The main aim of forming this Association was to provide all scholars, practitioners and teachers of Shalaky Tantra, a common platform to express their views and present their work so as to upgrade and update their knowledge. Keeping this aim in mind, TAS has till date organized 10 National Conferences and 3 international conferences. To upgrade research activities, the association has organized workshops to establish research protocols and terminology.

CENTER OF EXCELLENCE IN AYURVEDA OPHTHALMOLOGY

Shreedhareeyam Ayurvedic Eye Hospital is born from the famous Nelliakattu Mana, a traditional household of Vaidyas (physicians). The family is a repository of vast traditional knowledge in Ayurveda handed down through centuries, especially in Shalaky Tantra, one of the eight branches of Ayurveda that deals with diagnosis and treatment of disease affecting those organs of human body located above the neck. The association of Nelliakattu Mana with Netra Chikitsa (Ophthalmology) goes back to a few centuries. Founded under the valuable expertise of Late Dr. N.P.P Namboothiri and benefiting from the traditional knowledge of Sri. N.P. Narayanan Namboothiri, the senior-most member of the family, the hospital treats and cures many eye problems which are not normally curable by other medical sciences. Today the hospital is well recognized the world over and it has brought new respect to the science of Ayurvedic Ophthalmology. Sreedhareeyam has been awarded a Center of Excellence Grant for Ayurveda Ophthalmology by Ministry of AYUSH.
