ŚARĪRAVIJÑĀNAM – 2018

A National Workshop on CADAVER DISSECTION

from 12th to 16th March, 2018

J. S. AYURVEDA MAHAVIDYALAYA

Organized by
Dept of PG studies in Racanā Śārīra
J. S. Ayurveda Mahavidyalaya
(Managed by Mahagujarat Medical Society)
College Road, Nadiad-387 001.
Gujarat

J S Ayurveda Mahavidhyalaya was established by the renowned Vaidya Sundarlal Joshi in the year 1938 with the clear intention of reestablishing our culture and scientific heritage which was declining under British rule. The college is affiliated to Gujarat Ayurveda University and Central council of Indian Medicine. The college is well known for its quality education which made the college as the best college in Gujarat. The college provides BAMS course with 100 seat intake capacity and PG course in five disciplines namely Racanā Śārīra, Dravyagūḍa vijñāna, Rasaśāstra evam Bhāiḷajya kalpanā, Kāyacikitsā and Pañcakarma.

The Department of Racanā Śārīra is well equipped with instruments, infrastructure, and availability of about 20 cadavers to provide advanced anatomy education under guidance of experienced faculties. We offer a state of art education experience utilizing human cadaver for those engaged in or seeking a career that requires the study and understanding of human anatomy.

तस्मान्निसंशयं ज्ञानं हर्त्रा शल्यस्य वाञ्छता ।
शोधयित्वा मृतं सम्यक्द्रष्टव्योऽङ्गविनिश्चयः ॥
प्रत्यक्षतो हि यद्दृष्टं शास्त्र दृष्टं च यद्भवेत् ।
समासतः तत् उभयं भूयो ज्ञान विवर्धनम् ॥

A surgeon before practicing surgery should obtain detail knowledge of body parts by performing dissection. The knowledge obtained by studying the text book and direct perception by performing dissection, enhances once knowledge.

Department of Racanā śārīra conducted ŚARĪRAVIJÑĀNAM – 2017 successfully in March 2017. Seeing its success and after getting requests from many colleges the Department of Racanā Śārīra took a step to conduct ŚARĪRAVIJÑĀNAM – 2018, workshop on cadaver dissection.

Present workshop is an unique approach which provides opportunity to the participating delegates to observe the dissection, which would be performed by experts in the field of anatomy. The workshop is exclusively for the teachers and PG scholars of Racanā Śārīra and restricted to twenty candidates.

About Nadiad

The city of Nadiad is said to have been settled by rope dancers, hence the historical name of "Natapadra" (outskirts of/for natas) or "Natpur" (city for natas). It is also referred to as 'Nandgam'. The city has nine routes, and on each route there is a step well. The city is also well known for the number 9: there are 9 villages or towns located to all the 9 roads that exit from Nadiad; 9 step wells around the city; and 9 lakes in the city. Nadiad was also known as 'Sakshara Bhumi' - The land of literates.
