- 📍 Pilibhit, Uttar Pradesh, 262001

## ORGANISERS

Vishwa Ayurveda Parishad was established in the year 1997 with the divine aim of reestablishing the lost glory of Ayurveda in terms of its preventive and therapeutic potential. Ayurvedic scholars, teachers, practitioners, drug manufacturers and students from across the globe are its stakeholders.

VAP-Dravyaguna Sambhasha is an association of Dravyaguna experts from across the globe under the patronage of Vishwa Ayurveda Parishad to discuss and conclude controversies regarding debatable and unidentified classical drugs and other important issues pertaining to Dravyaguna.

LHSPG College and Hospital proudly celebrates its 125th anniversary this year, marking a significant milestone. It is nestled in the heart of Bansuri City of U.P. "Pilibhit". LHSPG boasts its very own herbal garden sprawling across 5 acres of lush greenery and upholding the timeless legacy of Ayurveda and Bharat.

WWF works to sustain the natural world for the benefit of people and wildlife, collaborating with partners from local to global levels in nearly 100 countries.

Dudhwa Tiger Reserve, situated in Uttar Pradesh and spanning into Nepal, is famed for its abundant biodiversity, including a notable collection of herbal species. It hosts a diverse array of medicinal plants, contributing to the region's ecological richness and traditional healing practices. The reserve's herbal species collection underscores its importance as a hub for conservation, research, and the preservation of indigenous knowledge.

Pilibhit Tiger Reserve, located in U.P., is renowned for its rich biodiversity & significant collection of herbal species. It boasts a diverse range of flora, including rare medicinal plants. The reserve's herbal species collection serves as a crucial resource for research, conservation, & traditional medicine, contributing to the area's ecological significance and cultural heritage.
